### Worksheet – Time for Reflection

What is YOUR vision of the future without the problem you identified?

Take a few minutes to write down your responses to the following questions:

- **What change do you desire to see?**
  
- **How would your community be different?**
  
- **What would be different about the relationships between people?**
  
- **What would you see, hear, feel or experience that tells you that things have changed?**
  
- **What human right would be recognized, enjoyed or exercised?**
